

Interior Design Planning Worksheet

Capture your style, needs and room-by-room requirements in one place.

Style & Mood

- Preferred style: Modern / Minimal / Classic / Industrial / Boho
- Color palette preferences (warm, cool, neutral, bold)
- Materials you love (wood, stone, metal, fabric)
- References / Pinterest boards collected

Living Room

- Seating capacity required
- TV / media setup needed?
- Storage & display requirements
- Lighting moods (ambient, task, accent)

Kitchen

- Layout preference (L-shape, U-shape, Island, Parallel)
- Appliance list (hob, oven, dishwasher, etc.)
- Storage: tall units, pull-outs, pantry
- Countertop and backsplash preferences

Bedrooms

- Number of bedrooms and bed sizes
- Wardrobe type (sliding, hinged, walk-in)
- Study / workspace requirement
- Lighting and ventilation preferences

Bathrooms

- Dry / wet area separation
- Vanity, mirror and storage needs
- Shower vs. bathtub preference
- Tile, fittings and finish preferences

Smart & Sustainable

- Smart lighting / automation interest
- Energy-efficient appliances

- Indoor plants and biophilic touches
- Acoustic and air-quality considerations
